

Dashboard

To view the Dashboard screen, click **Dashboard** from the menu panel.

The Dashboard screen is designed to give you a quick look at the recently created or accessed rosters. It shows you a maximum of 5 recently opened rosters. If you click on the roster name, you will be able to taken the **Roster** screen and the roster analysis will be presented to you.

The Dashboard screen is a changing space. We're working to show you more information in this screen.
